Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of an examination report issued in a corresponding European patent application. For the Examiner's convenience, we have enclosed a completed Form PTO-1449. Although the European Search Report cites JP 2002-158529, Applicants did not include a copy of the reference herewith as the reference has been previously cited in an Information Disclosure Statement filed on October 21, 2003. Further, Applicants did not submit herewith a copy of the U.S. reference as this is no longer required.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).
